Hi,

Just wanted to give you a heads-up. I'm rushing the PR thru EAS approval route because the OSC would like to have the Contractor on-scene on Tuesday, September 8<sup>th</sup>. I know Monday is the holiday and not sure if you guys are working tomorrow. I hope to get the PR to you guys within the hour for processing. Please let me know if you have any questions. As always, thanks for your help! ☺

Thanks,  
Jac
